Step	Description
2e	At this page you will see both the Computer User Security Training and USB Awareness Training listed. Click on the word Go to start the training. 2f	Once you complete the course and exam, you will be emailed twice. The first will tell you that you have successfully completed the course. The second will be a course completion certificate in the form of an attached .pdf fle.
2g	Once email with completion certificates arrives, save those certificates to your hard drive, **RENAME the certificate to your AKO User Name** and be prepared to upload them into Step 3 of the Network Access Request process.
